

I cried with you

(Manuela Seiler-Mucha)

V1

am am/H C²
Could it be your will, your plan?
F/C am/C G/H
Why did you let this happen?
am am/H C²
I thought I was your child and loved.
F/C am/C G/H
Why did you leave me alone?

Chorus

F/A G am
And I hear a soft voice
F/A G/H
Whispering into my ears:
F/C C² C²/D
I was there, and I cried with you
em am/E
It broke my heart to see you suffer
F G C/G
But I swear: I will see you through
F F/E
Everything that happens
G/D C²
will make sense at the end of time

V2

am am/H C²
You gave me strength to hold on
F/C am/C G/H
You gave me air to breathe
am am/H C²
You wiped the tears away, that I cried
F/C am/C G/H
Now you`re there, you heal my broken heart
