

**Love Song/ I`m nothing without you**  
(manuela seiler-mucha)

**Chorus**

This is a love song for my Savior  
For the Lord of Lord`s my God  
And every time I sing this song  
I praise my King. 2x

**V1**

When I sing my song I know you listen  
You`re my God, you`re my everything  
You gave me life, created a world for me to live in  
To live in your presence  
You`re the source of life I`m nothing without you  
You`re the source of life I`m nothing without you

**V2**

You know my ways, they`re in your hands  
You know every word I think and every word I say  
`cause I`m not able to live in the light by myself  
You died on the cross  
Your blood is my hope, I`m nothing without you  
You gave me life, I`m nothing without you

**Chorus – V1 – Chorus – V2 – Chorus – Solo e-guitar – Chorus**
